Dear Parents and/or Guardians,

Oral presentations are going to be starting the week of September 26th. Each day, 2 or 3 children will present to the class. The topic for the first presentations will be “Something special from home”. I want the children to bring an object from home that means something to them. We have been talking about emotions in class, so whatever they bring should be something that they can describe by telling us how it makes them feel and why. Other questions to answer include who gave them object or where it came from and how long have they had it for.

This should not be a stressful assignment! They can use notes to help them, but it is important that they are not reading from them the whole time.

If your child is not prepared to present on their scheduled date, they will lose 1 point. However, if they are sick or absent for another reason, I will reschedule. If you see on the schedule that there is a conflict and your child will not be in school that day, please let me know and I will make the necessary changes.

Class 202: There are no presentations on October 14th because I will not be there that afternoon.

I look forward to hearing the presentations!

If you have any questions, please do not hesitate to contact me.

Rebecca Engels

(If the object is too difficult to bring to school, you can e-mail me a picture and I can project it for the whole class to see)
